MARP APPROVED FOR KANMANTOO COPPER/GOLD PROJECT

Hillgrove Resources Limited (ASX:HGO) is pleased to announce the approval of its Mining and Rehabilitation Program (MARP) by the Department of Primary Industries and Resources SA (PIRSA) for the Kanmantoo Copper/Gold Mine Project in South Australia.

David Archer, Hillgrove Resources' Managing Director said today "The MARP has been approved after a rigorous evaluation by PIRSA and other Government agencies following an extensive period of consultation with relevant stakeholders."

The MARP approval is conditional on the completion of design details for an element of the Tailings Storage Facility design. This is expected to be completed within the next eight weeks.

About Hillgrove

Hillgrove is an Australian mining company listed on the Australian Securities Exchange (ASX: HGO) focused on developing its Indonesian, South Australian and Queensland base and precious metals projects. The Company is targeting the discovery of world class epithermal gold and porphyry copper/gold deposits in Eastern Indonesia.

Hillgrove's flagship development is the Kanmantoo Copper Gold Project, located less than 60km from Adelaide in South Australia.
